About Us

Wells Sweeping is a member owned business located in the Sacramento metropolitan area. Jay Wells founded Wells Sweeping to ensure that our clients receive the highest quality of service possible. Our operators are all members of Wells Sweeping, LLC which provides them with a personal stake, an owner's mentality, when performing services for our clients. In organizing our business in such a way, we can provide high quality service and competitive rates. In past years, our loyalty and high standards of operation has helped us to better define what quality service really means. Our operators take pride in providing the best service in our industry.

Wells Sweeping is a well diverse company specializing in all phases of surface cleaning. We maintain the latest equipment and provide our clients with knowledgeable operators who have the capability to perform above and beyond your expectations. This allows us to perform a variety of services from your average parking lot, to construction sites, to large municipal contracts. Some of our experiences include performing services for such clients as Raley's, City of Citrus Heights, City of Rancho Cordova, AC General Engineering, FCI Constructors, Martin General Engineering, and The Department of California Highway Patrol.

As of January 2008 Wells Sweeping has officially become members of the Teamsters Local 150. We are now able to offer our clients that are signatory to the Teamsters the same quality service we provide to all our clients. We are proud to be the only company in our industry affiliated with the Teamsters, and hope to be an example for our competitors. **We are also the only Sweeping company in the state of California certified as a D.V.B.E.**

Our goal is to become the operating standard for others in our industry and to always provide our clients with unsurpassable service, quality, and commitment. Our high standards of operation, honesty, integrity, and our commitment to quality has made Wells Sweeping a leader in our industry.
